Client Concerns Process

Staff and management of Children's Mental Health of Leeds and Grenville are interested in the concerns, opinions and views of our clients. Should you have a concern about our service, we encourage the following actions:

1. You are encouraged to express your dissatisfaction to the staff member with whom you have been involved. This person may be unaware of the issue and may be in the best position to rectify the concern.
2. Should you be unwilling or uncomfortable to discuss the issue with the staff member involved, you are encouraged to discuss your concerns with the appropriate Program Director. If you are unsure who this is or how to contact them, please contact an Administrative Assistant by calling 613.498.4844 or 1.800.809.2494 and follow the prompting message. Every effort will be made to connect you to the Program Director immediately.
